

D-Fly

Add Wings to your Data !

- Designed for mobile applications : very compact and convenient to handle in narrow spaces
- Integrated stylus for optimized use with touch screens
- Very ergonomic and light device : only 52 g
- Bluetooth Class 2 (up to 10m) for optimized battery consumption
- Interfaces with a large variety of Bluetooth devices : PDAs/Mobile phones, Laptop and Tablet PC

- Sales Force Automation
- Field Force Automation
- Merchandising
- Asset Tracking

D-FLY Specifications

STANDARDS

SUPPORTED INTERFACES	Bluetooth 2.0 + EDR
RADIO RANGE	RS232 Plug & Scan or USB Plug & Scan solution Standard Dongle
USER INTERFACE	Class 2: up to 10 meters
Beeper	82 dB(A)
LED	Tricolour

READING MODE	Real Time «No Data Loss» with buffer (up to 50 barcodes)
---------------------	-------------------------------------------------------------

PHYSICAL	Switch, Autoscan
Length	109 mm
Width	39 mm
Height	25 mm
Weight	1.8 oz (52 g)

ENVIRONMENT	
Operating temperature	-10°C - +40°C
Storage temperature	-10°C - +60°C
Humidity	5 - 95%
Shoc	Several drops onto concrete (1.20 meters)
Light	Full darkness to sunlight
Electrostatic discharge	8 kV air discharge and 4 kV of contact discharge

REGULATOR	
Battery	Li-ion
Capacity	320 mAh
Charging time	1h for a full charge
Battery autonomy	3,000 scans
Power supply Voltage	4,5V - 5,5 Volts

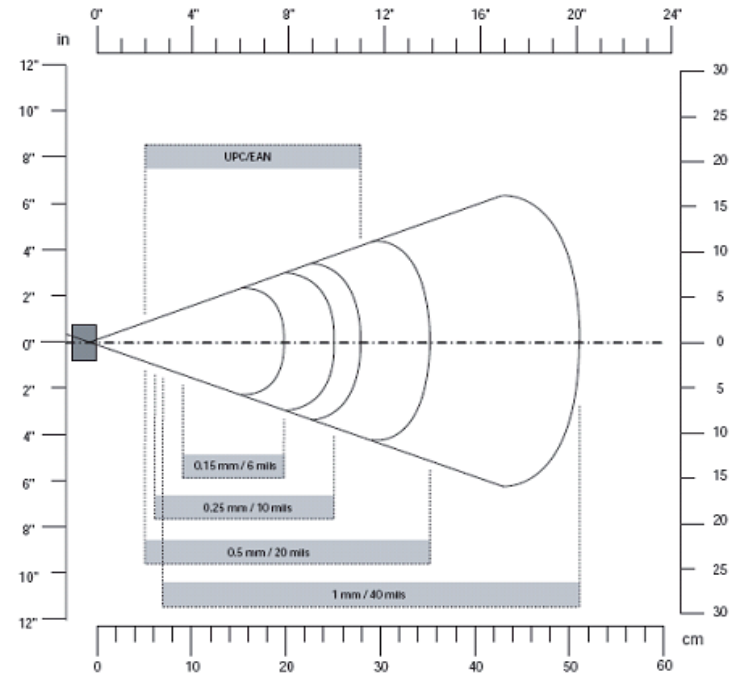

Input Transient Protection	IEC 1000-4 - (2,3,4,5,6,11)
EMI/RFI	European Union EMC Directive

DECODING CAPACITIES

Supported symbologies
Code93 - Code128/EAN128 - EAN13/UPCA - EAN8 - Code39 - Codabar - UPCE - Interleaved 2 of 5 - Standard 2 of 5 - Code 11 - MSI

SCAN ENGINE

Reference	Intermec EV10 Lite
Reading technology	CMOS
Reading distance	1.5 to 13 in (4 to 35 cm) (see decoding area)
Scan rate	200 scans/sec
Scan angle	38°

Package content

- 1 D-Fly scanner with rechargeable battery
- 1 Charger (5V, 500mA) - 1 universal charging adaptor (AUS/EU/US/UK)
- 1 CD with all the documentation and software needed

Available accessories

Car charger

Car charger for D-Fly

Key retractable reel

key retractable reel will allow the users to get both hands free while carrying the scanner

Neck Lanyard

Neck Lanyard for D-Fly
