

Print colour labels, tickets and wristbands on demand with the Epson TM-C3400-LT - a standalone label printing terminal. The TM-C3400-LT features an integrated control board plus a dirt and moisture-resistant touch-screen, and is housed in a dust-proof case that's equivalent to IP5X. Its small footprint and all-in-one, plug-and-play concept make the TM-C3400-LT ideal for users with limited space.

The TM-C3400-LT's colour printing capabilities improve identification, helping prevent critical errors in a number of applications, such as wristbands and prescription labels for healthcare. Printing custom designs in full colour and on demand reduces costs associated with pre-printing, including stock management and label wastage.

This highly versatile label printing terminal is compatible with a wide range of materials, including matte and glossy-coated labels and synthetic media in a wide range of formats. Whatever the media used, Epson's DURABrite Ultra pigment ink gives durable prints that resist smudging, fading, water and most other liquids, and can survive demanding storage conditions. Another benefit of inkjet technology is improved security, as thermal transfer ribbons can carry imprints of sensitive information.

For reliable results, Epson's patented automatic nozzle checking technology (AID) senses and fixes printer nozzle clogs or dead pixels in barcodes.

The TM-C3400-LT is designed to be easy to use, with all functions at the front, including consumables replacement. Its TFT touch-screen provides intuitive control, and can be tilted up to 90° for an optimised viewing angle. The pre-installed Windows® operating system, printer drivers and software utilities enable straightforward printing, supported by the optional start-up label software.

KEY FEATURES

- Touch-screen & control board
- Splash-resistant, dust-proof case
- Compact, all-in-one design
- Prints labels, tickets & wristbands
- Ink resists water, smudging, fading

PRODUCT SPECIFICATIONS

TECHNOLOGY

Printing Method	Epson Micro Piezo™ Serial inkjet printer
Nozzle Configuration	180 Nozzles per colour
Colours	Cyan, Yellow, Magenta
Ink Technology	Epson DURABrite™ Ultra
Category	Desktop colour label printer

PRINT

Printing Speed	Max. 92 mm/sec at 360 x 180 dpi (printing width 56 mm)
Printing Resolution	Max. 720 x 360 dpi
Printing Width	max. 104 mm

SUPPORTED MEDIA

Formats	Roll (4" external diameter), Fanfold media
Type	Continuous label, Continuous paper, Die-cut label, Black mark paper, Black mark label

GENERAL

Interfaces	USB 2.0 Type A (4x)
Autocutter	Yes included
Power Supply	Internal
Supply voltage	100 ~ 240 V, 50 ~ 60 Hz
Power consumption	Printing: Appx. 30 W, standby: Appx. 5 W
Reliability	MTBF: 75,000 Hours , MCBF: 9,800,000 passes
Temperature / humidity	Printing: 10~35 °C (20~80 % RH), Storage: -20~60 °C (5~85 % RH)
Product dimensions	300 x 213 x 345 mm (Width x Depth x Height)
Product weight	15.4 kg

OTHER

Warranty	12 months Carry in
----------	--------------------

LOGISTICS INFORMATION

Dimensions Single Carton	400 x 500 x 520 mm
--------------------------	--------------------

Carton Weight	18.5 Kg
---------------	---------

Multiple Order Quantity	1 Units
-------------------------	---------

Epson TM-C3400-LT

WHAT'S IN THE BOX

- Ink Cartridge
- Label paper roll
- Main unit
- Power switch cover
- Setup guide
- User manual
- Software (CD)
- Output Tray

SUPPLIES

- SJIC15P - Ink cartridge (3 colours - CMY)
