

FZ-N1

# Charging Cradle

Mobile charging cradle brought to you by 51T, designed specifically for use with the Panasonic FZ-N1.

## Overview:

The perfect all-in-one solution, the 51T® Cradle Charger is designed and manufactured to safely hold and charge a range of hand held devices within various locations.

Ideal for mobile or fixed charging, the 51T® Cradle Chargers boast the longest of lifespans with it's interchangeability and thoroughly modular design.

Constructed from ABS plastics and grade A Steel every cradle is handmade from the most robust and hard-wearing materials available, bringing the most dependable and fully repairable mobile computer cradles on the market today to life.

All cradles come with a standard 12-month warranty and can also be extended by up to 5 years. You also benefit from a 36-month manufacturing defect warranty. Service and Repairs are handled by our UK Repair Centre.

## Design:

- ✓ Single handed device insertion and removal from the cradle
- ✓ Multiple power options:- In-Vehicle Adaptor or Mains Plugs
- ✓ Steel chassis for rigid accurate fit with tamper-proof screws
- ✓ Extensive warranty & maintenance packages available
- ✓ Fully repairable & customisable

## Configuration:

Compatible and interchangeable with the majority of 51T® products including:

- ✓ In-vehicle chargers
- ✓ Single bay desk chargers
- ✓ 4 bay desk or shelf chargers
- ✓ 5 bay desk or shelf chargers
- ✓ Cabinets (120 bay (max.) simultaneous charge)

## Specification:
