EZ-LP

Keep your code. Choose your printer.™

Change is good... when it's easy, better, and costs less. The CognitiveTPG EZ-LP desktop printer is your alternative to more expensive legacy printers, providing a better value with drop-in compatibility. The EZ-LP is a 4" wide direct thermal printer that comes standard with a durable print mechanism, extensive flash memory, 5" media roll capacity, and multiple communication interface options and programming emulations. The EZ-LP is ideal for a wide range of applications, including work-in-process (WIP), logistics, and retail.

Optional Serial/Parallel/USB Communications Shown

- The best choice to refresh legacy ZPL and EPL desktop applications
- Robust ZcPL and EcPL emulations
- Industry standard communication interfaces (serial, parallel, USB, and Ethernet)
- Only standard USB-A (host) port in its class
- Rugged field proven mechanical design
- 4" model (4.25" media width)
- 203 dpi (8 dots/mm) DT print mode
