

Your Next Right Tool

Windows Business PAD

BP80

- Stunning 10.1" Eyelluminate™ Display
- All Day Battery Hours with Robust Performance
- Industry Leading Durability
- The Fastest 4G LTE & 802.11n
- All Task Enterprise Peripheral
- HD Camera with LED Flash

BP80

BP80, the Fully Ripe Business Tool, Truly Yours

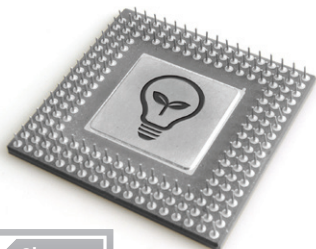

"Being Useful as well as Reliable" is the creed of the BP80, which is designed to serve anyone that needs to be or, is willing to be productive. All the tasks that once happened to be possible only in the office, takes place everywhere. Showing the mission driven contents in high resolution at all angles, the BP80's Eyelluminate™ Display allows seamless workflow without causing any visual fatigue. The longest battery hours complemented by the eco-friendly CPU runs the BP80 beyond any work hours. One may add or subtract various peripherals for different vertical applications. Reliability wise, the BP80 stands tough against all roughs. Better yet, having all these brilliant and useful features packaged in light-weighted case, the BP80 is one fully ripe business tool. Usually, change causes stress and anxiety. Cross them all out now because instead of you getting used to the BP80, the BP80 will get used to you and your daily missions before you know it.

Display: Illuminating your Eyes

- Eyelluminate™ Display
- Crystal Clear View at All Angles
- Readable under Sunlight
- Anti Finger Print

Eyelluminate™ Display on the BP80 spells out a new display standard for the business tablets. Bluebird's Eyelluminate™ Display has removed the air-gap (between Glass and LCD) that used to bring down the display quality by causing reflective glare on the screen. The remarkably improved display was further complemented with the IPS Panel. On the BP80, the screen can be seen crystal clear from all angles. Whether you happen to work outdoor with blazing sunlight or shaded indoor, your eyes will be able to appreciate the topnotch display quality even without understanding every technical details of Eyelluminate™ Display. Highly optimized for any work environment, Eyelluminate™ Display is Bluebird's technology that elevates the BP80's to a different class. Let it be yours now.

8hours+

Performance: The Perfect Chemistry with Battery life

- Beyond 8 Hours Battery Life
- Robust Performance

While ordinary tablet manufacturers tend to put heavy emphasis on performance only, Bluebird refuses to bandwagon. In Bluebird's stance, the crossroad between performance and strong battery life holds the right answer, and this very same philosophy has been applied on the BP80. The perfect chemistry between Powerful yet Low Energy consuming CPU & Bluetooth 4.0, and the largest Battery capacity has brought the BP80 closest to Bluebird's definition of the right answer. Whoever happens to be using the BP80 will have a peace of mind; the BP80 will be running strong without ever running out of power.

Mobility: Carrying is the easiest thing

- Slim
- Light Weight

Have you ever been aggravated because your laptop felt too heavy to be carried everywhere, but you still had to carry it with you? The BP80 has brilliantly ceased this common dilemma between form factor and functionality. Coming in the lightest and smallest form factor along with optional handle for all corners, the BP80 is designed to be carried. Better yet, all the lap-top functions are still present on the BP80. Execute your heavy duties without going heavy weight only on the BP80.

Design: TankSmith of Reliability and Elegance

- IP65 Sealing
- 1.2m Drop Resistance

The Intention was simple. The BP80 had to stand tough against all rougns, and at the same time it had to look good. Bluebird has labeled the mastered craftsmanship of reliability and elegance as TankSmith™ technology, and applied it to the BP80. With patented internal waterproof measure, the solid sealing of IP65 was realized. Surviving the 1.2m drop test, the BP80 is MIL-STD 810-G compliant. When the Corning Gorilla Glass® was selected for Eyelluminate™ Display, it did two things: the display screen has become scratch-immune, and suave flavor was added on the BP80 as a whole. Engineered to be tough and designed to look elegant, the BP80 is ready to join your task force.

Business Peripherals: Add and Subtract

- Barcode Scanner
- Magstripe
- Smart Card
- Contactless
- Hand Grips

The BP80 comes with a set of optional business peripherals including NFC Reader, Barcode Scanner, IC-Card Reader, and Magnetic Stripe Reader. Each and one of these functions make the BP80 fully functional and yet, the most flexible business mate ever. You can do so many things but just to name a few, you can run E-ticketing, Suave Order Taking, Inventory Management, and Point of Sale and Service. Stop worrying about the costly update in the future. Just add, subtract, and use only what you need on the BP80; the rest will follow.

Connectivity: The Speed Champion

- Up to 4G LTE
- 802.11n
- Bluetooth 4.0 LE

Staying connected means when workers and office securely stays on the same page at the same time. That is exactly what the BP80 is enabling. Having VPN and WiFi Protocols fully supported, the BP80 securely connects to the corporate intra-network, and staff members can appreciate seamless workflow. Once out of the office, the BP80's connectivity goes all area without compromising the speed. Connecting on the universal 3G network, the BP80 users can execute their tasks, file reports and transfer mission critical data on real time. The BP80 stays connected so that you and your company can stay on top of your schedule.

OS : Compatible and Secure

- Stonewall Security™
- BitLocker™
- BitLocker To Go
- AppLocker
- TPM
- Enhanced Write Filter

Change in work process usually comes with stress and anxiety. The BP80 writes a different story. Instead of you getting used to the BP80, the BP80 will get used to you and your daily missions before you know it. As you start working with the BP80, you will find out how convenient and secure has your work become. All the previous Lines of Business applications run fine on the BP80, and the all the important corporate data and the email will be fully protected by Bluebird's Stonewall Security™ infrastructure. The BP80 is ready to drive you toward your success without upsetting your workflow at all.

SPECIFICATIONS

WEIGHT	980g/2.1lb(Including battery)
DISPLAY	Eyelluminate™ Display; 10.1-inch LED-backlit widescreen Multi-Touch display with IPS technology; 1280 x 800 pixel; Crystal Clear View at all Angles(even under direct Sunlight); Covered with Anti FingerPrint Coated Corning® Gorilla Glass®
KEYPAD	Virtual
BATTERY	Built-in 51.8-watt-hour(14,000mAh) rechargeable lithium-polymer battery; Beyond 8 hours Battery Life
EXPANSION SLOT	User-accessible MicroSD slot for removable memory card up to 32G
SIM/SAM SLOT	1 SIM
AUDIO	Loud Speaker and microphone
CAMERA	Rear: 3 megapixel Autofocus LED Flash; Video recording, HD with audio; Front: 1.3 megapixel; Webcam
GPS	Assisted GPS
SENSOR	Ambient light sensor; Motion Sensor
PERFORMANCE CHARACTERISTICS	
CPU	1.6GHz Processor , Hyper Threading
OS	Optional, Windows 7; Windows Embedded standard 7P
MEMORY	2 GB SDRAM
STORAGE	Optional, 64GB/32GB Solid State Drive (SSD)
INTERFACE	1 USB Host; 1 Micro HDMI; Power Jack; Headset Jack; Docking connector
USER ENVIRONMENT CHARACTERISTICS	
DURABILITY	TankSmith™ Technology IP65 Sealing 0.8m / 2.7ft. Drop to steel surface, 1 drops per 6 sides 1.2m / 4ft. Drop to steel surface, 2drops per 6 sides (Applying the ruggedness pack)
VIBRATION	4Gs peak, 5Hz to 2kHz, 1 hour duration per axis
OPERATING TEMP	5°C to 43°C / 41°F to 110°F
STORAGE TEMP	-20°C to 65°C / -4°F to 149°F
HUMIDITY	95% non-condensing
ESD	+/-15kv Air, +/-8kv contact, +/-2kv charge body
INTEGRATED RADIO OPTIONS	
WWAN RADIO	Optional, 4G LTE, HSPA+/HSPA/UMTS, EDGE/GSM
WLAN RADIO	Optional, IEEE 802.11a/b/g/n (Rigorous Security in Full Support: WPA, WPA2, 802.1X, WEP, AES-CCMP, TKIP)
WPAN RADIO	Optional, Bluetooth V4.0 LE
NFC	Optional, NFC(Near Field Communication), All Types Supported(MIFARE/CALYPSO/FELICA/ETC.); ISO21481 (NFCIP-2), TypeA, Type B
SECURITY CHARACTERISTICS	
SECURITY	Stonewall Security™; BitLocker™, BitLocker To Go, AppLocker, TPM, Enhanced Writer Filter (Varies on OS Option)
PERIPHERALS	
OPTIONS	Smart Plug Type 1 : Magstripe Reader Smart Plug Type 2 : Barcode Scanner & Scan Key / IC card / Spin hand strap / SAM Slot in one Square Handle (type 1 or type2) 1Slot Cradle Blue-Pen
